Mr. Prashant Parit session was an interactive one, which helped to clear the doubts that popped-up in the minds of the young management students. Such sessions are often conducted in SKNSSBM so that apart from the course studies, students get knowledge about the corporate world.

Grooming Tips for Women 2

- Scarves and stoles should be made of wool, cashmere, silk or a blend of these fabrics. Some part of the scarf should match at least some colour in your outfit.
- Rings should be few and simple. If possible limit rings to a wedding/ engagement/ anniversary ring and avoid more than two. Big sparklers are not appropriate at the office (unless part of engagement ring)
- Avoid garish nail polish.
- Yours footwear should be well polished. Never wear dirty or worn out shoes.

Introduction:

In order to remain competitive in the continuously changing business world, it is crucial to understand the competencies at various levels of the organisation to procure, retain, and develop talented employees. Competency mapping is the way of assessing and identifying the competencies of an organization and inculcating them into various processes of job evaluation, training, recruitment, and learning and development. It is one of the most accurate means of identifying individual behavioral and job-related competencies.

The skills required to execute a job depends on a number of factors, such as technical challenges involved in the task, technical and functional competencies required accomplishing the task, organizational structure, nature of processes and assigned activities, business nature, social culture, and behavior and attitude of the employee towards the job responsibilities. Competency mapping helps in aligning the skills required to perform activities productively with the individual skills and attributes.

Mr. Soham Dadarkar created various negotiation situations through dramatics. These scenes were helpful to the audience about the adoption of negotiation skills required for a lifetime. The audience appreciated the acts, as it was real-time situations, and learned a lot and also audience understood various skills required to clinch/ fetch the complex business deals with various means. The audience echoed their appreciation/ feedback by offering a round of applause.

Key pointers of the session for upcoming MBA graduates,

- Start developing relationships in the market, to create your market.
- Do your homework /research on stakeholders before going to the market.
- Build a context and show value in your product.
- Spend more time on problems & less on solutions.

His viewpoints:

I don't work for customers but I work with customers,

The more you learn the better you get.

Mr. Soham Dadarkar concluded his session by thanking all professors, students, and his team members.
